

Enable your Frontline Workforce to achieve more with our Workshop*

At Akari, we know how important it is to deliver real benefits of the technology you've invested in and how to manage successful change through detailed planning.

We believe it is about a **people first** strategy to deliver **impactful results**. Microsoft Teams is designed to help organisations improve collaboration and increase efficiency by automating key business processes.

See what's possible

With Akari's **Enable Frontline Workshop**, we will work through various frontline worker challenges and pain points to identify top prioritised scenarios for your frontline workforce.

Why Akari?

As a Microsoft Gold Partner with extensive industry and technology experience, we help organisations to improve workforce productivity in your frontline workforce, leveraging the Teams platform.

During the workshop, we will work with you to understand your MS Teams environment and help solve specific collaboration challenges and develop an actionable plan based on your frontline workforce needs.

Submit your request for a Microsoft Funded Workshop

We'll work with you to:

- ✓ Identify and prioritize key use case scenarios
- ✓ Explore opportunities to streamline business processes and improve productivity outcomes
- ✓ Provide an implementation plan and next steps to help you achieve your desired goals

Delivered by Akari with Microsoft funding available for eligible customers, our workshops are designed to help you identify your business objectives and establish the Microsoft technologies to help you achieve them.
